

28 February 2023 – Bullseye Train-the-Trainer event

[HOLOZCAN](#) Project Coordinator [Györgyi Bela](#), [Ives Van Haute](#) and [University of Lodz](#) Partner Michal Bijak attend the Project BULLSEYE Train-The-Trainer event in Bratislava, Slovakia, 28.02-03.03. This TTT event aims to better prepare all first responders in case of terrorist attacks involving chemical and biological agents. The TTT presents Bullseye's harmonised procedures, best practices, lessons learned, as well as a roadmap to integrate within the training curriculum of each EU Member State.
